Trains

Domestic air and train tickets (Saint Petersburg – Moscow, Moscow – Saint Petersburg) are not included into your tour package price. We recommend you take the fast-speed train Sapsan from Saint Petersburg to Moscow and from Moscow to Saint Petersburg. Travelling by train is one of the most fascinating ways to explore Russia, it is a safe, comfortable and inexpensive option. The modern fast-speed train Sapsan from Siemens, running between Moscow and Saint Petersburg, makes your 3,5 hours journey unforgettable.

Match Tickets

Match tickets can only be purchased via UEFA.

Russian Visa

The fan-ID will play an important role in the provision of security during the major football tournaments in Russia as they would be granting admittance to the stadiums and would also serve as visas for foreign visitors. In order to clear the country's border a holder of the fan-ID would also have to produce an identification document, a ticket for a match or a document verifying the purchase of a ticket.

Guide Service

We offer sightseeing tours with local English-speaking guides in Saint Petersburg and Moscow. Additional sightseeing options are available as well.

Matchday.

Pushkin (Catherine palace and park) (duration 5 hours, minibus). It is a fascinating monument of architecture and garden art. In 1710 Peter the Great presented this land to his wife Catherine I and in a few years' time a marvelous ensemble of parks and palaces was built here around. The combination of gold, celestial walls, niveous columns and silvery roof create an impressive sight. Visitors were amazed with the magnificence of interior decoration: golden decorations of the doors were gently shining, the suite of rooms impressed with the glittering wood carvings. The jewel of the palace is the Amber room which is the 8th wonder of the world.

Lunch break. Free time.

In the morning you will visit All-Russia Exhibition Centre. Opened in 1935 as a Soviet exhibition center, this centre hosted the World's largest, most elaborate agricultural, industrial, social and scientific expos. Over the eight decades, the chief exhibition of Russia has seen a lot: it survived the war and post-war reconstruction, renovation of pavilions in the 1950s, and the period of their transformation into trade outlets in the 1990s, five renamings and finally revival, which began in the spring of 2014. Now, thanks to the efforts of restorers, we know what its original appearance was conceived by the architects of the Soviet era.

Lunch break.
